(b) whether any report has been received, and

(c) if so, the steps taken thereon?

THE HON. SRI M. A. MANICKAVELU : (a) Yes, Sir.

(b) & (c) The report has just been received by the Director of Animal Husbandry and it is being examined by him.

SRI N. K. PALANISAMI : Sir, since there are no buffalo farms in the State, will the Government open a buffalo farm in Chennimalai forests and also in some more centres in our State?

THE HON. SRI M. A. MANICKAVELU : Yes, Sir. There is necessity for a buffalo farm in Chennimalai area. An extent of 323 and odd acres is under the control of the Forest Department and this place seems to be an ideal place for opening such a farm. This is under the examination of the department. The Forest Department must release that land and that question is being taken up now.

II.—EXPUNCTION OF OBJECTIONABLE MATTER.

THE HON. SRI C. SUBRAMANIAM : Mr. Speaker, Sir, yesterday during the course of the discussion on the Governor's Address Sri S. Nagaraja Monigar during his speech made some observations against which objection was taken by certain hon. Members of this House. Unfortunately, I was not present in the House and the Hon. Speaker was not also in the Chair. Now I have the excerpts of the speech with me. I have gone through it. Even though on the face of it, it might be considered that there is nothing objectionable in it, still I feel Sir, that it contains insinuation and innuendoes. Apart from what the hon.
